

Contest Voting Extension: Recurring Payments ('Subscriptions') smart contract system

Due to the complexity of the contest's evaluation, absence of quorum and overlapping with two other contests, we propose to extend the voting period.

Also for a more objective assessment, we propose to add the missing members of the Smart Contracts Jury Global group.

Contest

#27 Recurring Payments ('Subscriptions') smart contract system

New voting deadline

Thursday, Sep 24th, 2021, 23:59

Added Jury members:

@unboxedtype Evgeniy Shishkin
